

2018 OAKLAND MARATHON DETOUR SCHEDULE

To ensure the safety of the runners traversing the city streets, there will be ongoing detours on the morning of Sunday, March 25 between 6:30 am - 3pm. Below is a guide detailing the detour plan. Note that some blocks will be impossible to safely exit in your vehicle while runners are in the area. We apologize for any inconvenience.

The purpose of these detours is to re-route motorists out of your area **to the closest freeway**. While drivers may not be heading in the desired direction at first, they may need to go down one freeway exit to turn around and return in their desired direction to their final destination.

Please plan in advance to minimize any inconvenience. Take a moment to review the detours in advance - the usual route out of your neighborhood may be blocked.

Certain destinations to note during the race:

Race Operations Center and Celebration Village: Eastshore Park at Grand & MacArthur will be used for the start/finish line this year. Setup for the race will take place on Saturday, March 24. El Embarcadero from Grand to Lakeshore and the parking lot for the Lakeview Library will be closed. Grand Avenue from El Embarcadero to MacArthur will be closed throughout the race on Sunday, March 25 until at least 8:00pm that night to accommodate clearing of race operations. Check the detail street closure announcement for complete list of street closures and times.

Oakland Ice Center patrons: Martin Luther King, Jr. Way and San Pablo Avenue will be blocked from 19th to 12th Street from 7:45am to 12noon until the runners pass. Patrons should use the freeway I-980 (either northbound or southbound direction) to come up 17th Street, then take a left on Jefferson and a right on 18th Street to get to the free parking lot across from the Ice Center. Police will allow cars to occasionally cross MLK, Jr. Way and San Pablo Ave. when safe.

Lake Chalet restaurant: Lake Chalet will be operating their standard 10:00am brunch service on race day. The runners will race by their location from 7:15am until 10:15am cutting off their parking lot.

Jack London Square: Runners will be on 3rd Street from Webster to Brush from 9:00am to 1:00pm cutting off regular access to Jack London Square. From I- 880 south, get off at Jackson Street exit, take a left on 2nd St and then left on Broadway and into the Square.

Fairyland: Children's Fairyland will be open regular hours on race day and Bellevue Avenue will be open for vehicle traffic. To access Bellevue during the race, vehicles will need to come from the I-580/Harrison St. exit, right on Bay Place to Grand Avenue and onto Bellevue into Lakeside Park.

Cathedral of Christ the Light: To get to the cathedral garage, from I-980 take the 17th St exit, left at Castro (Chevron Station) Follow Castro, under the freeway take a right on 23rd, (just past Grand) Go six blocks, take right on Valdez, left on Grand, and then right into the church parking lot.
