

26.2 MILE CHALLENGE INSTRUCTIONS

Welcome to the 2021 Oakland Running Festival's 26.2 Mile Challenge. Your race will take you on a virtual tour of The Town using the same course that is used for the live Oakland Marathon held annually in March.

As a participant, you will cover the 26.2-mile distance over the course of several days. As a goal we have targeted covering the distance starting March 1 and finishing on March 21. That said, you have flexibility to do it how you wish—cover your miles in 3 or 4 days or as many as 28 days. Make the CHALLENGE whatever is right for you.

The [RaceJoy App](#) that is offered for the other Oakland RunFest distances only works with 1-day races. Because the 26.2 challenge is offered over several days RaceJoy will not work for this event. That said, if you plan to complete a 5k (3.1 miles) or 10K (6.2 miles) in one day as one of your activities, feel free to [download RaceJoy](#) for that segment of your journey.
